

Action Plan – Survival Kits

This worksheet is designed to help readers develop a personal action plan for Chapter 5 (Survival Kits) in [The Provident Prepper: A Common-Sense Guide to Preparing for Emergencies](#).

What do you need in your survival kit? What kind of kits do you need? Where is the best place for it? Your assignment is to create a survival kit for each member of your family, including pets, for each vehicle, and for your place of employment. Decide what “stuff” you really need and do not over pack!
